### DECKING & RAILING

Nothing feels more like home than the comfort of a long-lasting, beautifully designed outdoor living space.

WELCOME HOME

## Imagine the Possibilities

You deserve a deck that serves your unique lifestyle. Beautiful, long-lasting, low-maintenance TimberTech decking delivers an outdoor space that can be enjoyed for decades. However you use your outdoor living space, your deck should be a reflection of your needs and your style.

### A PORTRAIT OF HOME

Your deck should be a reflection of you. Whether you want a traditional deck or want to show off your style with custom, curved decking, there are plenty of ways to bring your backyard vision to life.

### MAKE YOUR DECK YOURS

Your outdoor living space should be an extension of your home. It's the place you can seek solace, host guests, curl up with a good book, and enjoy your backyard. Make your deck an extension of you.

### SPLINTER-FREE SETTING

Keep bare feet and paws safe from pesky and painful splinters with capped composite decking. You and your little ones will enjoy laughing, playing, lounging, and dining in a comfortable, splinter-free environment.

### ENTERTAIN OUTDOORS

Create a comfy spot for backyard barbeques, friendly hangouts, or intimate dinner parties. Make your deck a destination your friends feel most comfortable to spend warm summer nights on.

### OUTSIDE TIME

Get out of the house without going too far. Your deck can be the relaxing escape you've always envisioned. Retreat to a peaceful place to lounge without the hassle of leaving your home.

WHY CHOOSE

# TimberTech?

You deserve an outdoor living space that you can enjoy for decades to come, will increase your home's value, and is kind to our planet. That's why we manufacture sustainable, long-lasting, low-maintenance outdoor living products so you can get the most out of your backyard.

WE ARE TIMBERTECH - GO AGAINST THE GRAIN WITH US.

**Driven By Superior Tech**  
Every product in our portfolio is meticulously designed by our expert R&D team of material scientists and engineers to give your deck durability, long-lasting beauty, and premium performance.

**Sustainable to the Core**  
Our core value of doing the right thing by you and the planet manifests itself in sustainably manufacturing eco-friendly building products.

**Endless Design Options**  
Our naturally good looking decking is modeled after the nuances found in Mother Nature's color palette and showcases the textures and finishes found in premium hardwoods.

**Backed By Leading Warranties**  
We're so confident in our products being a smart investment that we back all of them with industry-leading warranties.

#1 QUALITY RATING FOR AZEK DECKING\*

#1 QUALITY RATING FOR RAIL\*

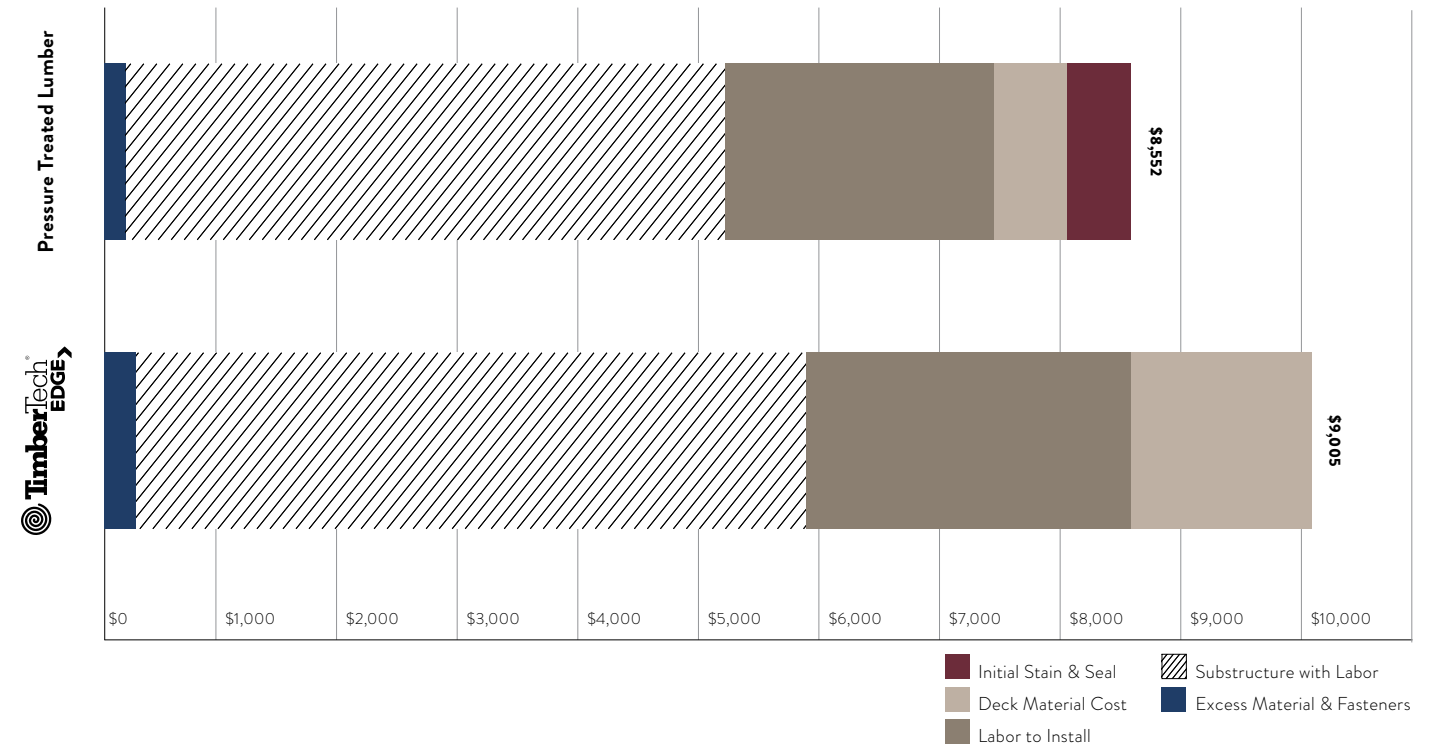

\* According to the 2019 BUILDER Brand Use Study, TimberTech AZEK ranked #1 in quality in the composite decking category. According to the 2019 REMODELING Brand Use Report, AZEK railing ranked #1 in quality in the deck railings category. Rankings based on results from 2019 surveys by Remodeler and Builder magazines. REMODELER Magazine and BUILDER Magazine are owned by 2019 Hanely Wood Media, Inc.

UPFRONT & LONGTERM

# Worth The Added Cost

The upfront cost is only 5% more to choose TimberTech decking over pressure treated lumber. It's easy to upgrade to TimberTech decking knowing the added benefits.

THE UPFRONT COST TO BUILD A DECK  
Pressure-treated Lumber vs. TimberTech® EDGE™ Prime Decking

**PLUS,** The total cost over 10 Years is up to 16% less when choosing TimberTech Decking due to the much lower maintenance required over time.

BENEFIT	PRESSURE TREATED LUMBER	TimberTech EDGE
25 Year Limited Product Warranty	-	✓
25 Year Fade & Stain Warranty	-	✓
Hassle Free – no need to hire labor for maintenance every 3 years	-	✓
Sustainable Choice – made from up to 80% recycled material	-	✓
Worry free- no splinters	-	✓

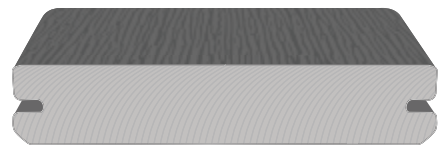

The estimated average cost of composite deck boards and pressure-treated lumber decking costs are based on the national average for a 16' x 20' deck. Meant for visual representation only. Actual costs may vary.

# The Material Difference

You know what's best for your outdoor living space and your lifestyle. That's why we offer three unique material types. While we could go into detail, we'll let the charts below and on the next page do that for us. Simply choose what's right for you.

**CAPPED POLYMER DECKING**  
UNRIVALED DESIGN AND PERFORMANCE

- The most advanced synthetic material technology without the use of wood particles.
- Impervious to moisture.
- 50-Year Limited Fade & Stain Warranty.
- Stays cooler to the touch.
- Advanced design options including Multi-Width.
- Lightweight.

**4-SIDED CAPPED COMPOSITE DECKING**  
PREMIUM STYLE AND PERFORMANCE

- Premium composite decking with the added protection of a fully synthetic cap on all four sides.
- Resistant to moisture with Mold Guard® Technology.
- 30-Year Limited Fade & Stain Warranty.
- Premium aesthetics that mimic natural wood.

**3-SIDED CAPPED COMPOSITE DECKING**  
ATTAINABLE AND ATTRACTIVE

- Traditional composite decking with a synthetic cap on three sides and monochromatic or color-blended options.
- Surface protection from moisture.
- 25-Year Limited Fade & Stain Warranty.
- Great low-maintenance upgrade from wood.

## Find The Hue That Speaks To You

To help you discern your favorite hues and wood grain patterns, tear out the color swatches of the decking that speak to your style. Line them up, mix and match them, hold them against your home's exterior, and get a good idea what those hues look like in the sun and the shade. When you're done, use them as a bookmark to remember your favorite color until you're ready to order up to four free samples – all delivered to your doorstep.
